*Language of instruction:* Swedish

*Main field of studies*

Religious Studies and Theology

*Depth of study relative to the degree requirements*

A1N, Second cycle, has only first-cycle course/s as entry requirements

### Learning outcomes

On completion of the course, the students shall be able to

#### Knowledge and understanding

- account for theories of socialisation and communication
- interpret and apply models of teaching religion connected to the problem area of religious and cultural mediation of tradition

#### Competence and skills

- analyse and provide critical, constructive and relevant views on theories of socialisation and communication
- analyse and provide constructive and relevant views on models of teaching religion

### **Judgement and approach**

- independently and critically assess and perceive the significance of theories of socialisation and communication for an understanding of religious and cultural mediation of tradition
- independently and critically assess the importance of models of teaching religion for an understanding of religious and cultural mediation of tradition

### **Course content**

The course discusses and provides perspectives on the mediation of religious and cultural traditions in schools, religious communities and mass media using different models of teaching religion and theories of socialisation, collective memory and communication.

### **Course design**

The teaching consists of lectures and seminars.

### **Assessment**

The assessment is based on three written assignments to be discussed at the seminars, and a final written take-home exam.

*Subcourses that are part of this course can be found in an appendix at the end of this document.*

### **Grades**

Marking scale: Fail, Pass, Pass with distinction.

### **Entry requirements**

To be admitted to the course, students must have 90 credits of higher education.

### **Further information**

1. The course is offered at the Centre for Theology and Religious Studies, Lund University.
2. It replaces TRVS01.
3. The credits allocated for course content that in whole or in part is commensurate with another course can only be credited once for a degree. For further details see the current registration information and other relevant documentation.
