Course design

The teaching consists of lectures, group exercises and individual supervision.

Assessment

The assessment is based on written exams, written assignments and independent papers.

Module 1 is assessed on the basis of a written exam

Module 2 is assessed on the basis of a written exam

Module 3a is assessed on the basis of a written assignment and a compulsory seminar

Module 3b is assessed on the basis of two major written assignments, one or two minor written assignments, and 3-4 compulsory seminars

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, E, D, C, B, A.

The grade on the course as a whole is calculated in accordance with the following method:

- (1) Each letter grade corresponds to a number. 5 for A, 4 for B, 3 for C, 2 for B, 1 for E and 0 for U.
- (2) The number grade for each module is to be multiplied with the number of credits on the module.
- (3) The products are to be added up and the sum is to be divided by 30 (= the total number of credits for the course)
- (4) The resulting weighted average determines the grade on the whole course. $x=4.50-5.00$ corresponds to the grade A; $x=3.50-4.49$ corresponds to the grade B; $x=2.50-3.49$ corresponds to the grade C; $x=1.50-2.49$ corresponds to the grade D; $x=0-1.49$ corresponds to the grade E.
- (5) To pass the course, students must have been awarded at least the grade of E on all modules.
