General Information

Lunds University, Faculty of Fine and Performing Arts, Malmö Art Academy.

Optional course for the BFA programme (KGFKO).

Language of instruction: English

Main field of studies

Fine Arts

Depth of study relative to the degree requirements

GXX, First cycle, in-depth level of the course cannot be classified

Learning outcomes

Artistic creation course.

The aim is to enhance the students' ability to formulate and show an artistic wholeness.

The aim is the students' comprehensive development for artistic work.

Special importance is attributed to the object that analytical insight should be shown in the artistic creation.

Course content

A course for those who wants to begin, develop, extend and deepen individual photographic projects. A possibility to try out ideas and to see and discover what might come out.

We will go through cameras, light-setting, scanning, analog and digital printing and other things, depending of what's required.

There will be possibilities for both individual tutorials and group discussions.

If someone has problems knowing where to start, we will help out.

You will be preparing and present your own work, and the work of others. We are going to visit one or two exhibitions.

Johan Österholm, graduating with, an MFA, from the school in 2016, is going to show and talk about his work.

Course design

The educational form will be seminars with discussions led by the teacher responsible.

There may be a task in form of writing a short text.

Assessment

For the grade pass there need to be commitment, presence and participation in in all the phases of the course.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.
