Course content

The content of the course is based on the individual student's needs. Together with the course coordinator the student makes an individual study plan term by term. In the study plan, strong emphasis is put on the student's needs and vision for personal musical development and direction. The course assumes approved result of earlier course MUUJ13.

Course design

The course is carried out in the form of individual lessons and individual work (practicing, preparation). Study and in-depth processes are carried out individually and/or in groups.

Assessment

Examination of the course is arranged through continuous and exams/tests. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.
