*Language of instruction:* Swedish

*Main field of studies*

Music

*Depth of study relative to the degree requirements*

GXX, First cycle, in-depth level of the course cannot be classified

### Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

#### Knowledge and understanding

The student shall on completion of the course

- show a well developed technical skill on the instrument,
- when playing, show a well developed understanding of the style and expressions of the current repertoire and also

- have experience in method and processes as well as in-depth study within the main field of music-making/music creating.

### **Competence and skills**

The student shall on completion of the course

- show the ability to describe, analyse and interpret form, technique and content,
- show the ability to critically reflect on the personal artistic approach within a wider artistic context,
- show the ability to create, realize and express personal ideas within the main field of study,
- be able to identify, formulate and solve artistic problems and problems regarding interpretation and also
- be able to carry out artistic assignments within given time frames.

### **Judgement and approach**

The student shall on completion of the course

- show good ability to co-operate with other artists.

### **Course content**

The content of the course is based on the individual student's needs. Together with the course coordinator the student makes an individual study plan term by term. In the study plan, strong emphasis is put on the student's needs and vision for personal musical development and direction. The course assumes approved result of earlier course MUUJ14.

### **Course design**

The course is carried out in the form of individual lessons and individual work (practicing, preparation). Study and in-depth processes are carried out individually and/or in groups.

### **Assessment**

Examination of the course is arranged through continuous assessment and exams/tests. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

*Subcourses that are part of this course can be found in an appendix at the end of this document.*

## **Grades**

Marking scale: Fail, Pass.

## **Entry requirements**

General and School of Music entrance test.
