- be able to carry out artistic assignments within given time frames.

Judgement and approach

The student shall on completion of the course

- show a good ability to co-operate with other artists.

Course content

The course is the final presentation of Degree Project (15 credits). The course consists of a concert part and a reflecting part.

The course contains independent artistic music performance within the specialisation of the education as well as reflection on working methods, artistic interpretation problems and experiences in the process connected to the independent work (degree project). The work shall be documented.

Course design

The course includes the student's individual work as well as individual lessons and group lessons, supervision and seminars.

Assessment

Examination of the music performance part of the course is arranged at exam concerts or the equivalent. The reflecting part is assessed through presentation. The independent work shall be documented.

Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass.

Entry requirements

At least 60 credits courses at first cycle level.
