The syllabus was approved by Education Committee of the Performane and Church Music Department on 2017-11-29 to be valid from 2017-11-29, autumn semester 2017.

### General Information

Compulsory course in Bachelor's Programme in Music: Composition, Arranging/Composition Classical Style as well as Arranging/Composition Jazz Style, first cycle 180 credits.

*Language of instruction:* Swedish

*Main field of studies*

Music

*Depth of study relative to the degree requirements*

GXX, First cycle, in-depth level of the course cannot be classified

### Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

#### Knowledge and understanding

On completion of the course, the student shall

- have good direction towards a basic knowledge and control of the most common studio equipment and the most common computer programs within electroacoustic music, composition of instrumental music as well as sound technique,

- have good direction towards a basic knowledge of current development in music technique,
- have good direction towards a basic knowledge of the history, development and different aesthetic directions of electroacoustic music and also
- have good direction towards a general knowledge of diffusion of electronic music.

### **Competence and skills**

On completion of the course, the student shall

- have good direction towards a basic ability to analyse and reflect on electroacoustic music and
- have good direction towards the ability to, at a basic level, create and realize own artistic thoughts and ideas within the field of electroacoustic music.

### **Course content**

The course can include studio lessons in technique and composition, individual composition work, subject related seminars, music listening within the field of electroacoustic music and the reading of different texts on the subject.

### **Course design**

The course is carried out in the form of individual lessons and group lessons in studio as well as seminars. A large part of the work consists of individual work in studio. The students' work are presented at concerts during the course.

### **Assessment**

Examination of the course is arranged through continuous assessment and tests/exams. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

*Subcourses that are part of this course can be found in an appendix at the end of this document.*

## **Grades**

Marking scale: Fail, Pass.

## **Entry requirements**

General and School of Music entrance test.

## **Further information**

Applies to students who have started their education in the autumn term of 2016 or later.
