Course content

The course can include studio lessons in technique and composition, individual composition work, subject related seminars, music listening within the field of electroacoustic music and the reading of different texts on the subject. The course assumes approved result of earlier course MUUT26.

Course design

The course is carried out in the form of individual lessons and group lessons in studio as well as seminars. A large part of the work consists of individual work in studio. The students' work is presented at concerts during the course.

Assessment

Examination of the course is arranged through continuous assessment and tests/exams. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass, Pass with distinction.

The course grade relates to the fulfillment of the learning outcomes of the course.

Fail means insufficient fulfillment of the course learning outcomes.

Pass means sufficient fulfillment of the course learning outcomes.

Pass with distinction means good and in-depth fulfillment of the course learning outcomes.

The course grading is done through the qualitative weighing of the fulfillment of the individual course learning outcomes.
