Litteraturlista: Genus och hållbarhet i teori och vardag, MESS47 *Gender and Sustainability in Theory and Everyday Practice, MESS47*

Litteraturlista fastställd av LUCSUS styrelse den 2017-06-01.

Eftersom kursen baseras på kamratundervisning (peer teaching) innehåller denna litteraturlista mer litteratur än vad studenterna ska läsa. Studenterna ska läsa 1250 sidor på denna 7,5 hp-kurs. Varje grupp av kamratlärare avgör efter möte med läraren vilken litteratur de anser att kurskamraterna ska läsa till det tema de undervisas i. Varje grupp av kamratlärare väljer litteratur från denna lista och söker även egen litteratur om de anser det behövs.

Obligatorisk/rekommenderad litteratur är markerat med #.
