Course content

The course is a beginners' course in French so no previous knowledge of the language is required. It focuses on spoken and written French, and on French culture.

The course consists of two modules: Part I, 5 credits, and Part II, 5 credits.

Part I (5 credits) and Part II (5 credits) provide training in pronunciation, grammar, vocabulary, and basic written and oral communication in French.

Course design

The teaching consists of lessons combining lectures, individual exercises and group exercises in equal measures.

Assessment

Part I is assessed through three written assignments.

Part II is assessed through a written invigilated exam.

Three opportunities for examination are offered in conjunction with the course: a first exam, a re-take and a catch-up exam. At least two further re-examinations on the same course content are offered within a year of the end of the course. After this, further re-examination opportunities are offered but in accordance with the current course syllabus.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass, Pass with distinction.

The grades awarded for Part I are Fail and Pass. The grades awarded for Part II are Fail, Pass and Pass with Distinction.
