Faculties of Humanities and Theology

HISN22, Historical Studies: Thematic Course II, 7.5 credits

Historical Studies: Thematic Course II, 7,5 högskolepoäng

Second Cycle / Avancerad nivå

Details of approval

The syllabus was approved by the programmes director by delegation from the pro-dean for first- and second-cycle studies on 2008-03-27 to be valid from 2008-03-27, autumn semester 2008.

General Information

The course is offered as a single course. It can normally be included as part of a general degree at both the undergraduate and graduate levels. With the approval of the relevant authenticating body, it can also be included in certain professional degrees.

Language of instruction: English

Main field of studies

Historical Studies - specialization History

Depth of study relative to the degree requirements

A1N, Second cycle, has only first-cycle course/s as entry requirements

Learning outcomes

On completion of the course the student shall

Knowledge and understanding

- be able to give an account of the historical contexts, conditions and processes of change in a specially chosen area of study, and be able to reflect on and analyse critically complex historical problems in this area
- be able to analyse historical phenomena in a specially chosen area of study in relation to different theories and approaches
- be able to take a position on and problematise the state of research in a specially chosen area of study.

Competence and skills

- be able to execute searches for various types of information relevant to the area of study and to be able to assess critically and structure this information.

Judgement and approach

- be able to relate the chosen area of study to issues of relevance for society or humanity in general.

Course content

In this course, greater depth in historical studies is achieved through the close study of scholarly publications in a selected problem area. The student chooses the area of study from a list approved each term by the departmental board.

Course design

Teaching takes the form of lectures and seminars.

Assessment

Examination is by written assignments.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass, Pass with distinction.

Entry requirements

To be eligible for the course requires 90 higher education credits in History, The History of Ideas, The History of Religions, Historical Anthropology, Central and Eastern European Studies, Gender Studies specialising in historical perspectives, Politics specialising in historical perspectives, or the equivalent.

Further information

1. The credits allocated for course content that in whole or in part is commensurate with another course can only be credited once for a degree. For further details see the current registration information and other relevant documentation.
2. This course is an equivalent in English of HISM22.
