Course content

The course is an advanced course in new entrant Italian that builds upon ITAD11.The course focuses on spoken and written Italian, and on Italian culture.The course consists of the following two modules:Module 1 (5 credits) and module 2 (5 credits).In modules 1 and 2, grammar, vocabulary, pronunciation, listening comprehension and basic written and oral communication in Italian are trained.

Course design

The course is based on lectures, group work and individual practical exercises. The course is offered entirely as a distance learning course, supported by an online virtual learning platform and digital tools. Students are required to participate on this basis and to have access to a computer with an internet connection and a webcam. The department will provide information about technical requirements.

Assessment

Module 1 is examined through digitally supervised written examination using real-time streaming.
Module 2 is examined through an oral assignment and a camera-monitored examination using real-time streaming

Camera monitoring takes place in real time. No recording takes place. Monitoring in real time is required in order to be able to assess the student's knowledge without students having access to aids.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Grades

Grading scale includes the grades: Fail, Pass, Pass with distinction
For the grade of Pass, at least the grade Pass on all examination elements in modules 1 and 2 is required. For the grade of Pass with distinction, the grade Pass with distinction is required on the written examination parts in module 1 and 2.

Entry requirements

Admission to the course requires Italian Stage 1 or Italian ITAD11 (Italian, beginners' course 1) or equivalent knowledge.
