

LÄKA21, Professional Development 2, 1.5 credits

Professionell utveckling 2, 1,5 högskolepoäng

First Cycle / Grundnivå

Details of approval

The syllabus is an old version, approved by Committee for Biomedical, Medical and Public Health Education on 2014-04-02 and was valid from 2014-04-02, autumn semester 2014.

General Information

The course is included in semester 2 of the Master of Science programme in Medicine and is taught in parallel with *Nervous System and Musculoskeletal Apparatus*. It is compulsory.

Language of instruction: Swedish
Literature in English may be included.

Main field of studies

Medicine

Depth of study relative to the degree requirements

G1F, First cycle, has less than 60 credits in first-cycle course/s as entry requirements

Learning outcomes

Knowledge and understanding

On completion of the course, the students shall be able to

- describe the most important principles of the Secrecy Act
- analyse important ethical principles that come to the fore in the patient-doctor relationship

Competence and skills

On completion of the course, the students shall be able to

- carry out a basic physical examination of the function of the musculoskeletal apparatus
- apply the most important principles of the Secrecy Act
- discuss fundamental ethical problems of the patient-doctor relationship in writing

Judgement and approach

On completion of the course, the students shall be able to

- act with respect for the integrity of the patient
- act in a respectful and professional way in relation to patients, staff, fellow students and instructors

Course content

During the course, students are provided with knowledge, skills and approaches that further develop their ability to deal with patients in a professional fashion

Course design

1. Teaching:

Secrecy: lecture.

Patient-doctor relationship: lecture, group exercise (comp).

Ethics: lecture, written assignment (comp) and group exercise (comp).

Examination methodology: group exercises (comp).

Assessment

2. Forms of assessment. Written exam with regard to the application of the Secrecy Act and ethical principles. Written reflection with regard to ethics. Certificate of attendance at compulsory components.

3. Students who have failed examinations are entitled to re-take an exam four times. Further opportunities may be granted after a special application. Students who have begun a course under an older programme syllabus are entitled to three re-takes of examinations on the course for one year after the course was discontinued or underwent major changes.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass.

Entry requirements

To be admitted to the course, students must have completed semester 1 of the medical degree programme
