Learning outcomes

The course turns to brass musicians that studies or has studied at a Music Academy or the equivalent as well as to professional that want specialise in solo play and chamber music on brass instrument.

Knowledge and understanding

In addition to the general aims for first-cycle programmes that is formulated in the Higher Education Act (chapter 1, section 8) the student should

- have studied solo pieces of different nature for the instrument
- be familiar with different musical styles with related performance practise for

brass repertoire.

Competence and skills

be able to express artistic thoughts and ideas at concert performances before audience

be able to exercise musical interplay in brass ensembles of shifting size and with different musical styles

- had developed a method of practising for study of solo repertoire.

Judgement and approach

- ability to distinguish independently and solve problems that arise in repetition and concert situations.

Course content

The course contains interpretation studies of for the instrument relevant works, parts of orchestral play, participation in seminars and masterclasses and concerts.

Course design

Teaching is given as individual teaching, participation in seminars and masterclasses, in group tuition as well as in implementation of concerts.

Assessment

Examination takes place through continuous assessment as well as at concert.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass.

Entry requirements

Basic as well as specific entry requirements: Studied or had studied at a program at Music Academy or the equivalent, at least 7.5 credits instrumental studies for brass instrument.

Further information
