Language of instruction: Swedish and English

Main field of study *Specialisation*

Music G1F, First cycle, has less than 60 credits in first-cycle course/s as entry requirements

Learning outcomes

On completion of the course, the students shall be able to:

Knowledge and understanding

- have rehearsed different types of solo pieces for the instrument
- be familiar with different musical styles with relevant performance practice for brass repertoire.

Competence and skills

- express artistic thoughts and ideas at concert performances in front of an audience
- perform musical interplay in brass ensembles of varying size and with different musical styles
- have developed a practice method for rehearsing solo repertoire.

Judgement and approach

- independently distinguish and solve problems that arise during rehearsals and concerts.

Course content

The course contains interpretation studies of relevant works for the instrument, playing orchestral excerpts, participation in seminars, masterclasses and concerts.

Course design

Teaching is in the form of individual and group tuition, seminars, masterclasses and the organisation of concerts.

Assessment

Examination is through continuous assessment and at a concert.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.
