*Language of instruction:* Swedish

*Main field of studies*

Music

*Depth of study relative to the degree requirements*

GXX, First cycle, in-depth level of the course cannot be classified

### Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

#### Knowledge and understanding

The student shall on completion of the course

- show a well developed technical ability on the instrument,
- when playing, show a well developed understanding of the style and expressions of the current repertoire,
- have acquired basic knowledge of organ teaching methods and
- have acquired basic knowledge of the history, technology and sound structure of the organ.

## Competence and skills

The student shall on completion of the course

- have the ability to formulate and independently study and carry out artistic assignments based on good knowledge in performance practice and
- have the ability to critically reflect on the personal artistic approach.

## Judgement and approach

The student shall on completion of the course

- have a good ability to co-operate with other artists and
- have the ability to discuss the own professional future and need for skill development.

## Course content

The course mainly consists of relevant literature for the specific instrument. In the courses Organ 1- 6 the repertoire should comprehensively highlight the different epochs of music history including contemporary music. The course assumes approved result of earlier course MUKY05.

## Course design

The course is carried out in the form of individual lessons, group lessons, seminars, guest lectures, workshops/master classes and individual work (practicing, preparations).

## Assessment

Examination of the course is arranged through continuous assessment and tests. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

*Subcourses that are part of this course can be found in an appendix at the end of this document.*

## Grades

Marking scale: Fail, Pass, Pass with distinction.

The course grade relates to the fulfillment of the learning outcomes of the course.

Fail means insufficient fulfillment of the course learning outcomes.

Pass means sufficient fulfillment of the course learning outcomes.

Pass with distinction means good and in-depth fulfillment of the course learning outcomes.

The course grading is done through the qualitative weighing of the fulfillment of the individual course learning outcomes.
