Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

Knowledge and understanding

The student shall on completion of the course

- show good direction towards an excellent knowledge of musical craftsmanship through awareness of the importance of different musical parameters,

- show good direction towards an excellent knowledge of different composing techniques in a historical perspective and
- show good direction towards an excellent knowledge of classical and contemporary repertoire and relevant related literature.
- show good direction towards a considerably deepened knowledge and understanding of part or parts of the main field of study, including insight in current research and development work, and
- show good direction towards a deepened knowledge of artistic processes in general and own working methods in particular.

Competence and skills

The student shall on completion of the course

- show good direction towards the ability to critically reflect on the personal artistic approach, and that of others, within a wider artistic context,
- show good direction towards the ability to independently identify, formulate and solve artistic problems and problems regarding interpretation,
- show good direction towards the ability to create and realize own artistic ideas with a developed personal expression and
- show good direction towards the ability to plan and with adequate methods carry out qualified artistic assignments within given time frames.

Judgement and approach

The student shall on completion of the course

- show good direction towards the ability to, within the main field of study, make assessments considering relevant artistic, social and ethical aspects and also
- show good direction towards the ability to identify the personal need for further knowledge and take responsibility for the personal knowledge development.

Course content

The course contains criticism/assessment/analysis of, and conversations about, the students' own works, held at a very high level; overview/analysis of works representing different ensemble types and work types within the scope of contemporary stylistic directions; meetings with professionally active composers; conversations on aesthetics; outlooks and contact making with relevant actors in the field.

Course design

The course is carried out in the form of individual lessons, seminars, guest lectures, workshops/master classes and individual work (analysis, composition and presentation assignments, exercises, transcriptions and other preparations).

Assessment

Examination of the course is arranged through continuous assessment and tests/exams. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass, Pass with distinction.

The course grade relates to the fulfillment of the learning outcomes of the course.

Fail means insufficient fulfillment of the course learning outcomes.

Pass means sufficient fulfillment of the course learning outcomes.

Pass with distinction means good and in-depth fulfillment of the course learning outcomes.

The course grading is done through the qualitative weighing of the fulfillment of the individual course learning outcomes.
