### Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

#### Knowledge and understanding

The student shall on completion of the course

- show a developed technical skill on a high musical level and
- when playing, show a highly developed understanding of the style, expressions and improvisation forms of the current repertoire,

## **Competence and skills**

The student shall on completion of the course

- show the ability to independently, but together with others, formulate, study and carry out artistic assignments,
- show the ability to critically reflect on the personal artistic approach, and that of fellow musicians in a wider artistic context,
- show a highly developed ability for musical interplay in different constellations and ensembles and also
- show a highly developed ability to meet the requirements set on personal image and musical behaviour in concert activities in different contexts.

## **Judgement and approach**

The student shall on completion of the course

- show good ability to co-operate with other artists.

## **Course content**

The course consists of studies in the own ensemble tradition as well as that of the fellow students. The specialisation in different projects can be decided and initiated by teachers as well as by the students.

## **Course design**

The course is carried out in the form of group lessons, seminars, guest lectures, workshops/master classes and individual work (practicing, preparations).

Attendance: A minimum of 80%.

## **Assessment**

Examination of the course is arranged through continuous assessment, concerts or tests. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

*Subcourses that are part of this course can be found in an appendix at the end of this document.*

## **Grades**

Marking scale: Fail, Pass.

## **Entry requirements**
