General Information

Compulsory course in Bachelor's Programme in Music: Folk and World Music, first cycle 180 credits.

Main field of studies

Music

Depth of study relative to the degree requirements

GXX, First cycle, in-depth level of the course cannot be classified

Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

Knowledge and understanding

The student shall on completion of the course

- have a well based knowledge in music theory and
- have a well developed ability to in practice, on the instrument, use acquired knowledge in music theory.

Competence and skills

The student shall on completion of the course

- have a well developed ability for musical reflection,
- show a well developed ability to use practical and theoretical knowledge in order to create and realize personal artistic ideas and visions,
- have a well developed ability to implement acquired practical and theoretical knowledge in musical communication,
- have a well developed ability to meet the requirements set on professional musicians in the field of world music and
- have a well developed ability to acquire, analyse and compile knowledge.

Judgement and approach

The student shall on completion of the course

- show a well developed ability to make assessments considering relevant artistic aspects and
- show a well developed ability to identify the personal need for further knowledge and skill development.

Course content

The course can contain training of the inner hearing and the ability for musical reproduction and notation within harmony melody and rhythm. The course can also include analysis, harmonisation, arranging and composition in different techniques. The course assumes approved result of earlier course MUUF44.

Course design

The independent practical work is supported by teaching, mainly in the form of group lessons.

Assessment

Examination of the course is arranged through continuous assessment and final tests. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass.

Entry requirements

General and School of Music entrance test.
