Compulsory course in Bachelor's Programme in Music: Arranging/Composition Jazz Style, first cycle 180 credits.

Language of instruction: Swedish

Main field of studies

Music

Depth of study relative to the degree requirements

GXX, First cycle, in-depth level of the course cannot be classified

Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

Knowledge and understanding

The student shall on completion of the course

- have a well developed ability to produce well working music material for rehearsals and concert situations occurring in the projects.

Competence and skills

The student shall on completion of the course

- have a well developed ability to develop and critically assess own ideas and critically review own and others' viewpoints,
- have a well developed ability to conceive, plan and carry out and take responsibility for own projects/concerts/events in different contexts,
- have a well developed ability to, in front of varying music ensembles, make a personal presentation and a presentation of the own composition and/or arrangement,
- have a well developed ability to write texts such as work comments and biographies in connection with concerts and presentations of different kinds and also
- have a well developed ability to think and act flexibly and to adapt to changes and new circumstances.

Judgement and approach

The student shall on completion of the course

- have a well developed ability to identify personal needs for skill development,
- have a well developed ability to make assessments considering relevant artistic, social and ethical aspects and also
- have a well developed understanding of the role of art in society.

Course content

The course can contain rehearsals and concerts with own arrangements/compositions and possible seminars connected to the project/projects. The course assumes approved result of earlier course MUUG42.

Course design

The course is carried out in the form of seminars and individual work. Attendance is compulsory for projects within the education.

Assessment

Examination of the course is arranged through continuous assessment and tests/exams. Examination rules, such as examination requirements and mark limits, shall be communicated to the student at the beginning of the course.

Re-examination of the course shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass.

Entry requirements

General and School of Music entrance test.
