Details of approval

The syllabus is an old version, approved by Education Committee of the Performance and Church Music Department on 2017-11-29 and was valid from 2017-11-29, autumn semester 2017.

General Information

Compulsory course in Master's Programme in Music: Symphony Orchestra Instruments, second cycle 120 credits.

Main field of studies

Music

Depth of study relative to the degree requirements

AXX, Second cycle, in-depth level of the course cannot be classified

Learning outcomes

The aim of the course is to enable students to acquire the following knowledge and skills on completion of the course.

Knowledge and understanding

The student shall on completion of the course

- have excellent knowledge of different musical styles and their performance practices and concert traditions,
-
- have an excellent ability to co-operate with others in joint projects and ensembles,
-

- have an excellent ability to use own impulses and at the same time interact in groups and ensembles and also
-
- have an excellent ability to receive and carry out instructions from ensemble leaders and orchestra leaders.

Competence and skills

The student shall on completion of the course

- have an excellent ability to develop and critically assess own ideas and critically review own and others' viewpoints,
-
- have an excellent ability to create and realize own as well as shared artistic ideas and visions,
-
- have an excellent ability to meet the requirements set on personal image and musical performance in concert activities in different contexts and also
-
- have an excellent ability to think and act flexibly and to adapt to changes and new circumstances.

Judgement and approach

The student shall on completion of the course

- have an excellent ability to identify personal needs for skill development.

Course content

The course content is determined by the preconditions that follow repertoire and ensemble type and are specific to the instrument. The course mainly consists of certain works from the orchestra repertoire for the instrument.

Course design

The course is carried out in the form of group lessons, seminars, orchestra rehearsals workshops/master classes and individual work (practicing, preparations). Attendance is compulsory for projects within the education.

Assessment

Examination of the course or module is arranged through continuous assessment and, in applicable cases, project presentations. Examination rules and mark limits shall be communicated to the student at the beginning of the course.

Re-examination of the course or module shall be offered in close connection to the regular examination.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass.

Entry requirements

In addition to general entry requirements for higher education at second cycle level the following specific entry requirements are applied:

Degree of Bachelor in Music 180 credits or the equivalent as well as passed selection based entrance examination for Bachelor's Programme in Music.

Further information

Applies to students who have started their education in the autumn term of 2016 or later.
