The syllabus was approved by The pro-dean for First-Cycle Studies at the Faculties of Humanities and Theology on 2011-10-20 to be valid from 2011-10-20, spring semester 2012.

General Information

Subject: Humanistic Informatics

The course is offered as a free-standing course. It can normally be included as part of a first- or second-cycle degree. With the approval of the relevant authenticating body, it can also be included in certain professional degrees.

Language of instruction: Spanish

Main field of studies

-

Depth of study relative to the degree requirements

G1N, First cycle, has only upper-secondary level entry requirements

Learning outcomes

On completion of the course students shall

Knowledge and understanding

- be able to account for fundamental concepts and methods for the study of network culture in present-day Latin America
- be able to provide examples of Latin American studies of the activities of women in the public space
- be able to account for fundamental concepts such as power, intersectionality, gender, sexuality, class and ethnicity in relation to the use of the Internet in

present-day Latin America

Competence and skills

- be able to formulate and delimit issues of gender theory in a written examination assignment
- be able to execute on a fundamental level some of the key practical tasks for developing and designing computer games

Judgement and approach

- be able to assess the impact of media digitalisation for the self-governance of women in Latin America.

Course content

The course deals with women's use of digital media in twenty-first-century Latin America. Special attention is paid to the Latin American production of computer games. Key events are studied in relation to prominent female agents and against a historical background in order to explain the conditions for the present-day development.

Course design

Teaching consists of lectures and compulsory practical exercises in a computer room.

Assessment

Assessment is based on a written exam.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass, Pass with distinction.

Entry requirements

General requirements and studies equivalent of courses English 6 and Spanish 3 from Swedish Upper Secondary School.
