*Svenska/Nordiska språk: Specialstudium i grammatik, 7,5
högskolepoäng*

Second Cycle / Avancerad nivå

Details of approval

The syllabus was approved by The pro-dean for First-Cycle Studies at the Faculties of Humanities and Theology on 2011-02-21 to be valid from 2011-02-21, autumn semester 2011.

General Information

The course is offered as a free-standing course and is an elective component of the Master of Arts programme in Language and Linguistics.

Language of instruction: Swedish

Main field of studies

Language and Linguistics with
specialization in Swedish/Scandinavian
Languages

*Depth of study relative to the degree
requirements*

A1F, Second cycle, has second-cycle
course/s as entry requirements

Learning outcomes

On completion of the course the student shall

Knowledge and understanding

- be able to provide an in-depth account of Swedish/Scandinavian grammar and describe current research and development work in grammar
- be able to compile and discuss advanced grammar literature in an informed manner

Competence and skills

- be able to analyse key problems in grammar in a sophisticated manner
- independently be able to identify and formulate relevant issues in grammar

Judgement and approach

- be able to problematise and critically approach current research on grammar.

Course content

The course provides advanced study of Swedish/Scandinavian grammar requiring previous second-cycle courses including grammar. The specific course content is determined in consultation with the examiner and with regard to the interests and wishes of the students.

Course design

Teaching consists of supervised independent study.

Assessment

The assessment is based on a take-home exam.

Students normally have two opportunities for examination on the course.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, Pass, Pass with distinction.

Entry requirements

To be admitted to the course students must have successfully completed second-cycle courses in generative grammar or Swedish/Scandinavian grammar.

Further information

1. The credits allocated for course content that in whole or in part is commensurate with another course can only be credited once for a degree. For further details see the current registration information and other relevant documentation.
