First Cycle / Grundnivå

Details of approval

The syllabus was approved by Academic Director of Studies at Department of Business Administration on 2017-02-07 and was last revised on 2021-03-30. The revised syllabus applies from 2021-03-30, autumn semester 2021.

General Information

The course is an elective course in Business Administration required as a prerequisite for the specialization in entrepreneurship at the Undergraduate level. The course can be studied within the Bachelor Programme in Business Administration and Economics, the Degree of Master of Science in Business and Economics – Programme (Civilekonomprogrammet) as well as an independent-subject course.

Language of instruction: English

The course is offered in English. Students must therefore have a command of and be able to communicate in English, both orally and in writing.

Main field of studies

Business Administration

Depth of study relative to the degree requirements

G2F, First cycle, has at least 60 credits in first-cycle course/s as entry requirements

Learning outcomes

A passing grade on the course will be awarded to students who:

Knowledge and understanding

- Understand conditions for entrepreneurship in different contexts
- Understand the processes of entrepreneurship
- Show knowledge and understanding of central concepts within entrepreneurship

Competence and skills

- Can use the knowledge on how the context and processes of entrepreneurship influence the initiation and development of ventures.
- Can prepare and deliver an informative presentation both orally and in written.

Judgement and approach

- Can identify and evaluate business opportunities
- Can use central concepts to analyse, discuss and make decisions regarding start-up and development processes in different contexts.

Course content

The globalization and the transformation into a “knowledge economy” has created a need for individuals that act entrepreneurially.

This transformation thus creates a need for knowledge of and for entrepreneurship. It is essential that students have the ability to understand the conditions and processes for establishing new businesses in different contexts.

The course content cover:

the entrepreneurial process entrepreneurship in different contexts business opportunities resources and organisation in the entrepreneurial process investigating and evaluating business opportunities developing a strategy for new venture financing the new venture motivation in entrepreneurship planning for the entrepreneurial venture

Course design

Teaching will take place through lectures as well as through group seminars and guest lectures.

Assessment

Individual exam and group exam.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

Subcourses that are part of this course can be found in an appendix at the end of this document.

Grades

Marking scale: Fail, E, D, C, B, A.

Grade (Definition) Points or % out of maximum points. Characteristic

A (Excellent) 85-100 points. A distinguished result that is excellent with regard to theoretical depth, practical relevance, analytical ability and independent thought.

B (Very good) 75-84 points. A very good result with regard to theoretical depth, practical relevance, analytical ability and independent thought.

C (Good) 65-74 points. The result is of a good standard with regard to theoretical depth, practical relevance, analytical ability and independent thought and lives up to expectations.

D (Satisfactory) 55-64 points. The result is of a satisfactory standard with regard to theoretical depth, practical relevance, analytical ability and independent thought.

E (Sufficient) 50-54 points. The result satisfies the minimum requirements with regard to theoretical depth, practical relevance, analytical ability and independent thought, but not more.

F (U) (Fail) 0-49 points. The result does not meet the minimum requirements with regard to theoretical depth, practical relevance, analytical ability and independent thought.

Some occasional examination elements of the course may have the grading scale pass (D) / fail U(F).

Plagiarism is considered to be a very serious academic offence. The University will take disciplinary actions against any kind of attempted malpractice in examinations and assessments. The penalty that may be imposed for this, and other improper practices in examinations or assessments, includes suspension from the University for a specific period of time.

Entry requirements

Studies in Business Administration, corresponding to 60 UCP or ECTS-cr from undergraduate level studies.

Further information

The course FEKH91 Entrepreneurship cannot be combined with FEKH90 or FEKC04 in a degree.

In case of closure of the course: Within three semesters after course closure, three additional occasions for examination of every element within the examination will be offered students with the result of failure. Note that after this you can get a certificate only for the completed examination parts.
