## Kursens mål

After completion of the course, participants should

### **Kunskap och förståelse**

have knowledge about theories and practices of diplomacy, negotiation and mediation.

have knowledge of research problems, theoretical traditions, and methods in the study of diplomacy, negotiation and mediation.

### **Färdighet och förmåga**

be able to formulate a relevant research problem in the area covered by the course, and have the ability to theorise, generalise and discuss this problem.

be able to contribute to a common learning environment and to group dynamic aspects of learning.

## **Kursens innehåll**

The course will introduce and elaborate on diplomatic practice, such as negotiation and mediation. Central issues to be discussed and compared are varieties of diplomacy, newness and decline of diplomacy, cultural differences in international negotiation as well as third parties in international negotiations. Practice and strategies will be linked to various diplomatic actors, such as states, intergovernmental organisations (IGOs), nongovernmental organisations (NGOs) official and unofficial diplomats. The course stresses the linkage between theory and practice in international relations. The course seminars will provide empirical foundation for the theoretical discussions.

## **Kursens genomförande**

The course consists of a series of lectures and seminars. In addition to attending lectures, students are expected to participate in seminar discussions, and prepare oral and written presentations on specific topics.

## **Kursens examination**

The final assessment is based on the course activities as well as a final individual essay. In addition to the regular examinations two extra examinations will be organised each term.

*Provmoment för denna kurs finns i en bilaga i slutet av dokumentet.*

## **Betyg**

Betygsskalan omfattar betygsgraderna Underkänt, E, D, C, B, A.

The grades awarded are A, B, C, D, E or Fail. The highest grade is A and the lowest passing grade is E. The grade for a non-passing result is Fail.

The student's performance is assessed with reference to the learning outcomes of the course. For the grade of E the student must show acceptable results.
