

Literature for KEMR1X, Chemistry: Master's Degree Project applies from autumn semester 2008

**Literature established by Study programmes board, Faculty of Science on
2008-04-29 to apply from 2008-04-30**

En genomgång av den vetenskapliga litteratur som ligger till grund för
forskningsuppgiften görs av den studerande.

Review of the scientific literature that forms the basis of the research task is carried
out by the student.
