

Literature for KEMM57, Chemistry: Magnetic Resonance - Spectroscopy and Imaging applies from autumn semester 2019

Literature established by Study programmes board, Faculty of Science on
2018-12-19 to apply from 2018-12-19

See appendix.

Litteraturlista för KEMM57, Kemi: Magnetisk resonans - spektroskopi och avbildning, gällande från och med höstterminen 2019

Keeler J., *Understanding NMR Spectroscopy*,
2nd edition, Wiley-Blackwell 2010

Course literature for KEMM57, Chemistry: Magnetic Resonance - Spectroscopy and Imaging valid from autumn term 2019

Keeler J., *Understanding NMR Spectroscopy*,
2nd edition, Wiley-Blackwell 2010
