## **Course literature for NGEA22, Physical Geography: Hydrology valid from spring term 2022**

---

The course is following the course book : Physical Hydrology (Dingman (2014) Waveland Press Inc. ISBN-10: 1478611189 ISBN-13: 978-1478611189) relatively closely in some chapters, but additional reading will be given for certain parts.

The book is available in 5 copies in the Geolibrary.

A hard copy can be ordered either directly from the publisher 102 \$ +shipping, or from Amazon 109€ +shipping. From Amazon you can also order an electronic copy which can be read on many devices (PC, Mac, Android, Kindle) for half of the price of the hard copy. Make sure you buy the 'third edition'.
