Litteraturlista för MATA32 Algebra och vektorgeometri
Course literature for MATA32 Algebra and Vector Geometry

- *Lecture Notes in Algebra and Vector Geometry,* 2023
(tillhandahålls av institutionen/distributed by the department)

- Kjell Elfström: *Algebrans grunder/Foundations of Algebra*, 2021
(bredvidläsning, tillhandahålls av institutionen /complementary reading, available at the department)

- Karl Gustav Andersson: *Lineär Algebra*, 2:a upplagan, Studentlitteratur, 2000ISBN: 9789144016085 (bredvidläsning, på svenska/complementary reading, in Swedish)

- Kerstin Ekstig, Anders Vretblad: *Algebra och geometri*, 2:a upplagan, Gleerups förlag, 2006, ISBN: 9789140647573 (bredvidläsning, på svenska/complementary reading, in Swedish)
